Minister of
Rural Development

Legislative Building
Winnipeg, Manitoba, CANADA
R3C 0V8

The Department of Rural Development's "Municipal Officials 1990" contains the names and addresses of all elected and appointed municipal officials; a listing of municipal organizations and their executives; and a directory of key contact people in my department and across government. As in the past, we are confident that this year's offering will be of practical assistance to those whose interests and efforts lie with local government.

In introducing this year's Directory, I am pleased to congratulate the "seasoned" municipal officials who were returned to office in October's municipal elections and welcome newcomers to the field of local government. The coming decade holds many challenges for rural Manitoba and for all of us who have a stake in its future.

Our commitment to rural Manitoba will be best shown by our actions. Concerted and consistent efforts put forth by local government officials in partnership with business people, citizens, community organizations and my department and the province can result in vibrant communities whose social, environmental, and economic health point to a prosperous 21st century.

Yours truly,

Jack Penner
